As a Stone Soup Sponsor, you will help ensure we have the resources necessary to support children's educational, physical, and emotional health by bringing joy to our learning community

Partner with Mile High Early Learning and help us:

Ensure that every classroom has a rich library of books, sensory materials, and activities that help children learn to identify emotions and self-regulate.

Your sponsorship ensures that each classroom has a wellness library.

Provide early childhood mental health specialists to work with children to strengthen and sustain their social and emotional skills, as well as model effective classroom strategies for teachers.

Your sponsorship helps cover the cost of a child's developmental assessment and services.

Create family libraries as we partner with parents as their child's first and most important teacher – creating a strong school-to-home connection to support children's social-emotional development.

Your sponsorship helps create a personalized wellness library for a family.

Build teacher capacity as our teachers are building children's brains daily through every interaction they have in the classroom, and we want to build their capacity and skills to respond to children's needs.

Your sponsorship helps cover the cost of professional development for an early learning center team.

If a sponsorship isn't right for you and you'd like to discuss other ways to support Mile High Early Learning, please contact Nathan Harlan at nathanh@milehighearlylearning.org.
